Participant Name	
University Name	
Software	
ASC	Applied Seismology Consulting Ltd

I **[Participant Name]** am a currently enrolled at **[University Name]** as a full-time student and I accept a loan of the InSite software noted above.

In consideration of my use of a Research Student Licence, I confirm that I agree to the following terms and conditions.

Research Student Program Terms and Conditions:

1. The participant will only use the software for the approved research project, and not for commercial or non-educational purposes.
2. No copying, modification, or transfer of the software is permitted.
3. The participant is responsible for software installation, use, and results obtained. ASC assumes no liability with respect to any use of the software, damage, or loss that may result from using it.
4. InSite software is the property of ASC, and ASC retain all rights to the software.
5. The participant must comply with the End User Licence Agreement.
6. If a physical licence key is issued a taxes or duties associated with software delivery are the participant's responsibility.

ASC's Expectations for Research Student Licence Users:

1. Any research or project involvement using the software that requires outside consultancy should be communicated to and offered first to ASC.
2. ASC must receive copies of analysis results completed with the software, including publications, research papers, and dissertations.
3. Proper acknowledgment of ASC and the software is required in any publications utilising results obtained with the software.
4. An annual report is due for each year of participation, with a final report due on completion of the program.
5. If a physical key is issued, it must be returned to ASC upon completion of the program.

The undersigned agrees to abide by all terms and conditions stated above and fulfil all expectations listed.
